What's happening:

We are looking to purchase the building at 441R Lafayette Road. It housed the Day out Elderly Day Care, and our Kitchen operation this year before we were forced to shut down because of COVID.

Christmas baskets went out smoothly, thanks to Claire. Our inventory is full, thanks to donations.

Pantry News:

We are still operating 4 days a week. We are keeping volunteer numbers low. In order to meet the increased demand and maintain social distancing, we are pre-packaging the food for the clients. Mike has a team downstairs creating boxes of non-perishables: Cora, Victor and Gi.

Upstairs Ed, Pat, Sue and Linda put together bags which include: Meats, vegetables, dairy, bread and pastries. The Bags are handed to the clients from the dock

Clothes Closet News

The Closet is open by appointment only. Once we are in the new facility it will expand to twice its size.

TO ALL: STAY HEALTHY AND MERRY CHRISTMAS
